

# International Mathematical Union

MEMBER BALLOT 04/21

November 15, 2021

## Change of Group Adherence

Applicant: **Korea/Republic of  
Change from Group IV to Group V**

This ballot concerns the Republic of Korea's application to change its group of adherence from Group IV to Group V. After analyzing and reviewing the application, the Executive Committee of the International Mathematical Union recommends that the Republic of Korea change from Group IV to Group V, as of February 1, 2022.

Members must now vote on the proposed change. The vote is the responsibility of the Adhering Organization in each member country. Please provide your response below:

The Adhering Organization of (*enter country*) \_\_\_\_\_ is

- in favor of the Republic of Korea changing from Group IV to Group V.
- not in favor of the Republic of Korea changing from Group IV to Group V.
- abstaining from voting.

Name of Adhering Organization: \_\_\_\_\_

Signature: \_\_\_\_\_

Name of signatory (*please print*): \_\_\_\_\_

Please return this ballot by mail, e-mail or fax by **January 31, 2022** to:
