AFRICME 07: Acknowledging and Addressing Barriers of Mathematics Education for an Inclusive Africa

Welcome to AFRICME 7

The Wits School of Education, in collaboration with the International Commission on Mathematics Instruction (ICMI), welcomes you to the 7th African Regional Congress of ICMI on Mathematics Education (AFRICME 7). AFRICME was launched at the Wits School of Education in 2005 and aims at offering a forum for mathematics educators throughout Africa. AFRICME returns to its place of birth and will take place from the 15th of July to the 18th of July, 2025.

AFRICME 7 programme will offer an exciting combination of keynote lectures, paper presentations, symposia, and 'How I teach' presentations. The focus of these presentations will be on key educational developments and research in mathematics education in Africa in general. Participants will be able to meet with educators and experts from the continent to gain some insight into research that are being conducted in the different parts of the continent.

Wits School of Education is one of the schools in the Humanities Faculty of the University of the Witwatersrand and is located in the lush suburb of Parktown.

IMPORTANT DATES

Submission of papers: 28th February 2025
Notification of Acceptance: 30th April 2025
Submission of revised papers: 30th May 2025

Early Bird Registration: 15 May 2025
Regular Registration: 1-5 June 2025

Second Announcement

This is the second announcement calling for proposals from mathematics education and STEM education researchers to be submitted for the African Chapter of International Congress of Mathematics Education (AFRICME 7) conference that will be held in Johannesburg, South Africa - in 2025. The conference welcomes contributions including Long Papers, Short Papers, Working Groups, Posters, and Symposia. Interested teachers in the field are also invited to submit "How I Teach" or "How to Teach" papers to present during the Mathematics Teacher Professional Development parallel sessions. These submissions are **not compulsory for participating teachers** but are encouraged as a means of fostering professional engagement and knowledge sharing within the community.

1. CONFERENCE VENUE AND DATES:

The conference will be held at the School of Education, University of Witwatersrand School of Education, 27 St Andrews Road, 2050, Parktown, Johannesburg, South Africa. It is scheduled to be held from the 15th to 18th July, 2025. In addition, a pre-conference Teachers' Day dedicated to Mathematics Teachers' Professional Development will be held on Monday 14th July, 2025.

2. AFRICME 7 CONFERENCE QUERIES should be addressed to:

Prof Judah P. Makonye (Chair-Local Steering Organising Committee): School of Education, University of the Witwatersrand, Johannesburg

Email: judah.makonye@wits.ac.za

Professor Kakoma Luneta (Co-Chair): Department of Childhood Education, University of Johannesburg, Johannesburg

Email: kluneta@uj.ac.za

Annie KGOSI (Administration Secretary)

Email: annie.kgosi@spu.ac.za

Dr Aarifah Gardee (Fundraising Chair): School of Education, University of the Witwatersrand, Johannesburg

Email: aarifah.gardee@wits.ac.za

3. REGISTRATION FEES AND ACCOMMODATION

- The conference registration fee is R5500.00
- The teachers' registration fee is R2500.00
- Students (under-graduate and post-graduate) will pay a fee of R1500,00 to attend/present at the conference.
- Daily Registration for delegates will be R2000

The accommodation of delegates will be in the hotels near the University of the Witwatersrand School of Education. The nearby hotels are located around Braamfontein, Parktown, Rosebank, Greenside. The hotels can easily be located via the Web. Names of recommended lodges will be provided in the third and final

Announcement. A special request has been made for delegates who choose to stay in university hostel accommodation. Note that delegates will pay for their own accommodation on campus and outside campus.

4. MATHEMATICS TEACHER PROFESSIONAL DEVELOPMENT

The professional development for teachers' programme is motivated by the need for the conference to impact community engagement particularly for the host country, South Africa.

- The pre-conference Teacher's Day will be held before the start of the conference
- Thereafter, all teachers attending the conference can join the rest of the conference. There will be a Teacher Professional Development parallel session every day during the duration of the conference.
- Experts will be sought to lead professional development sessions at Foundation Phase, Inter-Sen and FET phases

5. CONFERENCE THEME: ACKNOWLEDGING AND ADDRESSING BARRIERS OF MATHEMATICS EDUCATION FOR AN INCLUSIVE AFRICA.

Key subthemes are:

- Inclusivity and diversity within the mathematics classrooms during the AI era
- Leveraging technology to enhance mathematics learning experiences in the AI age
- The mathematics of data science in the AI age
- Cultural and socially aligned mathematics pedagogy (ethnomathematics, Indigenous knowledge) in the AI age
- Pedagogical issues in mathematics education and mathematics teacher professional at primary and high school
- Trans and inter-disciplinary STEM education
- Language and communications in mathematics education
- Mathematical modelling and computational thinking
- Use of textbooks as resources for teaching and learning mathematics

6. SCIENTIFIC ENGAGEMENT: WHAT CAN DELEGATES SUBMIT?

Participants can submit for review Long Papers, Short Papers, Working Groups, Posters, and Symposia. Interested teachers can submit 'How I teach' papers but this is not a compulsory requirement for teachers to attend the conference. All submissions will undergo blind review.

7. PUBLICATION OF PAPERS FROM THE CONFERENCE

Arrangements have been made for publications in Special Issues in the following journals:

- (a) the African Journal of Teacher Education and Development (AJOTED) and,
- (b) the African Journal of Research in Mathematics, Science and Technology Education (AJRMSTE)
- (c) the Computational Thinking Papers to Contribute to the AJRMSTE Special Issue.

All presenters will have the opportunity of developing their papers further and submitting to these journals.

ACTIVITY TIMELINES

Paper Activities Date Second announcement (call for papers)

Paper Activities	Dates
Second announcement	13 January 2025
Submission of proposals	28 February 2025
All review feedback to authors	30 April 2025

On-line registration opens	15 May 2025
Submission of re-worked papers	30 May 2025
Presentation uploads by:	7 June 2025
Deadline for payment of registration fees by all presenters/participants	5 June 2025
Final programme released to presenters and the public	10 June 2025

8. LONG PAPERS

4500- 6000 words (excluding Abstract but including Reference list). Long papers should follow a format similar to articles/papers required by journals: i.e. abstract, introduction, literature review/conceptual framework, theoretical framework, methodology, findings, discussion and conclusion. Author details must be excluded for double blind peer review. Long papers are reviewed by at least 2 expert reviewers. Should a paper not be accepted for presentation as a long paper, it is possible that the author may be asked to reduce the length of the paper to meet the requirements and deadlines for a short paper

9. SHORT PAPERS

500 words abstract (including Reference list). Short papers should highlight preliminary findings and the significance of the research. Author details must be excluded for the double-blind peer review. Short papers will be reviewed by 2 expert reviewers.

10. POSTER PRESENTATIONS

500 words abstract (including Reference list). Poster abstracts should highlight preliminary findings and the significance of the research. Author details must be excluded for the double-blind peer review. Poster abstracts will be reviewed by 2 expert reviewers.

12. SYMPOSIA/PANEL DISCUSSION

These are discussions around a central theme or issue where different points of view, approaches, debates, or analysis of the same problem are presented. The paper should provide a short outline of the whole symposium. Details of each speaker's contribution should be outlined, including how these come together to create a forum for discussion and debate.

Note: The symposium is not a platform for a collection of short papers presented under the auspice of one supervisor or researcher. 90-minutes is allocated for each symposia/panel discussion to enable audience engagement. Reviewers will provide feedback, but no revisions are required.

1 650 words (excluding Abstract but including Reference list). Abstract: 100 – 150 words

13. SUBMISSION FORMAT

1. The APA referencing system should be used
2. The Times Roman font 12 should be used in Word
3. Headings and subheadings must be in bold
4. **Participants must submit two manuscripts, one anonymous in Word and the other with full details in pdf.**

The deadline for submission for all papers is the 28th of February 2025. All submissions must be emailed to africme7.congress@gmail.com

14. PRE-SUBMISSION SUPPORT

AFRICME 7 is happy to announce that emerging researchers who would like to receive guidance prior to submission of their paper can do so by contacting Anthony Essien on anthony.essien@wits.ac.za as early as possible, but no later than 20th February, 2025.
